CLUB AWARDS POLICY

The following policy has been developed to provide consistency and direction with regard to the determination of Club Awards at the Jets Juniors Football Club

1. Team Awards

- All teams at both non-competitive and competitive age groups will be able to present six (6) team award trophies at the end of each season.
- At the non-competitive age groups – Under 8 through to Under 10 – these will be six (6) Coaches Awards
- At the competitive age groups – Under 11 through to Under 18 – this will be four (4) Coaches Awards and two (2) Best and Fairest Awards – First and Runner-Up

2. Coaches Awards

Coaches Awards are the responsibility of each Team Coach, with the assistance of other team officials, to decide at the end of the season.

To assist Coaches in determining these awards the following criteria are to be considered although other criteria can be included at the discretion of the Coach:

- Listening to and the consistent application of coaching instructions
- Application, dedication and enthusiasm towards training and matches
- Adherence to team rules
- Positive team spirit
- Demonstrated self development/improvement
- Positive sportsmanship shown to team members and opposition players
- Respect for umpires and other officials
- Development/improvement of players skills from previous season and throughout the current season
- Improved ability to listen to and take instructions from coaching staff and team officials
- Improved ability to perform team orientated tasks/functions

Coaches awards can be named at the discretion of each coach, or left named as 'Coaches Award'. Some examples are -

- Most improved
- Most courageous
- Best team mate
- 3rd runner up B&F (for competitive teams)
- Best goal kicker
- ect...

Once the Coaches Awards have been determined, these should be kept confidential and forwarded to the Jets Juniors Secretary following the last home and away game of the season.

3. Best and Fairest Awards

- Best and Fairest Awards (B&F) are applicable for all competitive age group teams from –
 - Boys under 11 to under 17.5
 - Girls under 12 to under 18
- Best and Fairest votes are awarded for every game of the Home and Away (H&A) season that the team is involved in (not including finals).
- The Team Manager is responsible for ensuring that Best and Fairest votes are awarded, collated and secured after each game.
- One set of votes will be cast in every game. Team officials (Coach along with either the Assistant Coach, Runner and/or Team Manager) will collate and agree on votes at the conclusion of each game.
- Each game is assigned 21 Best and Fairest votes only.
- Votes are split between players on a 3-2-1 basis where 3 are the best players. For example -
 - 3 votes - Tom, Hayden, Jack
 - 2 votes - Steve, Josh, Fred, Kai
 - 1 vote - Kieran, Mitchell, Luke, Rob
- Any combination of 3-2-1 can be used as long as the total votes don't exceed 21. For example you may award 10 players 2 votes and 1 player 1 vote.
- Less than 21 votes may be assigned to match if the coaching group agrees.
- Votes are to be completed and returned to the Team Manager at the conclusion of each match. The votes must include the date and round. The Team Manager will then compile and keep track of votes for the season end presentations.
- Once the vote count has been conducted the results must be kept confidential and the Team Manager must forward the results to the team manager coordinator immediately after the conclusion of the last home and away game.
- The two players receiving the most number of votes will be awarded a trophy
 - Best and Fairest
 - Runner-Up Best and Fairest
- Tied voting results –
 - In the event of a tie for the Best and Fairest, two Best and Fairest trophies will be awarded with no Runner-Up.
 - In the event of a tie for Runner-Up, an additional trophy will be awarded.
- Ineligibility for Best and Fairest Awards - a player will be ineligible to be awarded a Best and Fairest Award if any of the following situations apply:
 - A player is suspended by the EFL Tribunal for any reason during the season
 - A player is subject to any internal disciplinary action by the Committee of the Heathmont Jets JFC as a result of an on field incident that is contrary to the rules or spirit of the game
 - A player receives 3 or more Send-Offs (Yellow Cards) during the season
- If there is any confusion/questions in regards to the voting system to be used for the Best and Fairest votes or the eligibility of players to receive the awards, then these questions/concerns should be directed to the Director of Football for clarification.

Once the Best and Fairest Awards have been determined, these should be kept confidential and forwarded to the Jets Juniors Team Manager Coordinator and Secretary following the last home and away game of the season.
